

# UCC

## A Detailed Guide

<http://www.ucc.asn.au>

2024

# 1 Introduction

## What is ucc?

ucc is a club dedicated to both the social and technical side of computers. Founded in 1974, the club has been the perfect place for anyone with a passion for computers for half a century. ucc has been an innovator, placing a drink machine on the internet in 1992, and many of our members have gone on to achieve great things.

ucc prides itself on being a place for all sorts of people with a fondness for computers to hang out. We have many regular events throughout the year including pizza nights, tech-talks, game events and many more. Hopefully this guide provides some insight about the club.

To get started, drop by our clubroom (see the map overleaf).

*All comics taken from xkcd.com*

## 2 Find The Clubroom

The ucc clubroom is located on the top floor of Cameron Hall, almost directly above the Tav. The main entrance is around the left-hand side of the building (facing the Tav with the carpark behind you). That's the one shown on the map above.

There's also a set of stairs leading up from the loading bay which can be accessed through an alley, next to the Guild Village toilets. It's handy shortcut coming from class, but it's not the easiest to find until you've been shown.

## A Message from the President

Hello! And welcome to the club. I'm Grace, current ucc president. I hope you've had a great summer holiday, and if you're just joining us, that you will have a good semester 1 as well.

The purpose of this guide is to explain what ucc is, and how we operate. ucc is basically a social hobby club, and we do all sorts of stuff, including:

- Tech Events
- Collaborative events
- Gaming events

Further within this guide, you will find our upcoming events for Semester 1, as well as some of our annually held events. You will also find the services that we offer to our members, such as:

- Web hosting
- Project Bench and Tool Cupboard
- FREE VM/Game hosting
- And more!

We also have a clubroom which is open most days, and you can find it within Cameron Hall, above the Tav and next to Guild Village. Outside the clubroom, you can find an internet connected vending machine with cheap drinks and snacks.

If you have any questions, or just want to hang out, feel free to join our Discord, email [committee@ucc.asn.au](mailto:committee@ucc.asn.au), or come visit us at the clubroom. I hope to see you around sometime, perhaps at our fresher welcome this Wednesday (28/2/24, 3 PM)!

- Grace

*ucc President 2023*

### 3 Your Account

*Signing up on O-Day (or in general) does not give you an account instantly. To get an account, you will need to go to the clubroom!*

Once you get to the clubroom, someone will be able to help you make your account. Simply tell someone that you need a new account and they'll run you through the process. You'll need your campus card, or whatever other form of ID you used when signing up. Alternatively, you can sign up at the clubroom.

Your account gives you access to all things ucc. You will gain access to a ucc-hosted email address `<username>@ucc.asn.au`, a webspace at `https://<username>.ucc.asn.au`, the vending machines, the club gigabit WiFi, and many more services. The person who signs you up will be able to show you how all these things work.

Once you have an account, you can use it to log into any of our clubroom machines. If you want to log onto one of our servers, you'll need to use the ssh program. If you're having trouble, just ask someone in the clubroom — we don't bite!

If you need to add money to your ucc account, you'll need to ask for someone on the *Door group*. They will be able to put money onto your ucc account for you. **First-time members get \$1 free credit!** You can then use this credit for everything from the drink & snack machines, to payments at ucc-hosted events.

#### Keep track of your details here

My ucc username:

My ucc email:

My UID (5 digits):

### 3.1 SSH for the greater good

ssh lets you remotely access ucc's servers. These can be used for programming, web hosting, file storage, dispensing drinks, and much more.

On Linux, MacOS, or Windows simply open a terminal and type `ssh username@ssh.ucc.asn.au`. Follow the prompts, enter your password and you're away!

## 4 Dispense

At the same time as you set up your account, you'll also have your Dispense account set up. Dispense is the program that allows users to store credit and purchase items from the coke/snack machines. Door members can help you add credit to your dispense account. Call out for one in the clubroom if need be, there's always one around.

The easiest way to dispense a drink is probably the web interface at <https://dispense.ucc.asn.au>. Simply enter your username and password and then select a drink.

Due to technical reasons, snacks cannot be dispensed using this interface. Getting a snack will involve typing your 5 digit UID and a 4 digit PIN into the keypad. This allows you to dispense both drinks and snacks.

You can also use your campus card or SmartRider as a log in device on the snack machine. To do so, log in to the Snack Machine and hold whichever card you want to use up to the card scanner (it's the thing with the blinking green light) and the card should auto-enrol. To log in using the card, simply hold the enrolled card up to the card scanner.

You can also access Dispense using the `dispense` command. Dispense isn't installed on clubroom machines so you will have to use SSH to access one of the servers.

```

```

## 5 Clubroom

The clubroom is usually open from about 10am until 11pm throughout the semester. It is also sometimes open on weekends, and most days during university holidays. If you want to check the clubroom is open and who is there, call the clubroom phone (**08 6488 3901**) or check out the webcams if you have a UCC account already.

<https://webcam.ucc.asn.au>

Within the clubroom there are a bunch of desktop machines, tons of books, couches, a server room, and many people with a wide array of knowledge. We encourage our members to use them as they see fit.

We don't have cleaners, so we rely on our members to look after the clubroom. There is always a Door member in the room if it's open. Of course, if you see something that needs doing such as cleaning up, feel free to do it!

## 6 Groups

### 6.1 Committee

Like most clubs, UCC elects a committee, who are responsible for the day-to-day running of the club. The committee spends the club's money, ensures we're well stocked with drinks and snacks, and organises events. In order to keep the club running smoothly, the UCC delegates certain functions to other groups, such as Wheel and Door (see below). Any member is permitted to attend a committee meeting, unless the President has declared the meeting is closed to general members. If you

would like to receive reminders of the meetings, as well as the upcoming agenda, subscribe to the committee mailing list. For historical reasons, minutes are posted to the general mailing list (`ucc@ucc.asn.au`), so you probably want to subscribe to that too.

ucc has several groups to which the committee delegates responsibilities and duties. These groups help keep the club running on a day to day basis. Each group can be contacted via `<group>@ucc.asn.au`.

## 6.2 Wheel

Wheel is in charge of maintaining the club's machines. They are the best people to see if you're having problems with the computers. Wheel tends to have members added via recommendation to committee, and works with them. If you abuse your account, it will be locked by a wheel member. The unlocking of accounts is at the discretion of committee. Wheel have infrequent meetings, where they sing the secret *wheel song*.

**If you want to learn how to be a sysadmin and manage servers, come along to our tech meetings and show your interest! Our first meeting is on the 5th of March, at 6:30PM in the clubroom!**

## 6.3 Door

People in Door group are responsible for the clubroom. They can hold the room open for members, add and refund DISPENSE credit, and enforce the clubroom rules. Many serve as a familiar face for people who visit the club, so if you hang out in the room a lot, consider applying!

## 7 Upcoming Events

### 7.1 Fresher Welcome

**When:** 28th February @ 15:00

**Where:** ucc Clubroom

New to the club, or just want a reintroduction? Join us for our fresher welcome! We will be showing people around the clubroom and showcasing our services. Come along, meet fellow freshers and play games!

### 7.2 Tech Talk - Intro to Linux

**When:** 6th March @ 14:00

**Where:** ucc Clubroom

Ever wonder, "This Linux thing sure does seem neat, it would be nice if UWA taught it to us in a sensible manner,"? Well wonder no longer! Come to our clubroom where our lovely OCM Cormac teaches you what you need to know to start learning Linux, and how to find the information you are looking for!

### 7.3 Annual General Meeting

**When:** 8th March @ 14:00

**Where:** Guild Council Room

Yearly meeting where the club reviews its previous year and elects a new committee. Interested in helping run the club and organise events? Nominate yourself to join the committee!

## 7.4 Nostalgia Box Party

**When:** Week 3 @ TBA

**Where:** The Nostalgia Box Museum

Celebrating our 50th Anniversary this year, join us at the Nostalgia Box Museum as we take a trip back to the beginning of video game industry. The Nostalgia Box Museum offers a variety of arcade games including PacMan, Rock Band, and much more!

## 7.5 Tech Talk - 3D Printing Workshop

**When:** 20th March @ 14:00

**Where:** ucc Clubroom

A basic introduction to CAD software and 3D printing using UCC's 3D printer. You'll get a chance to design and print your own 3D model!

## 7.6 Party Games Night

**When:** 27th March @ 4pm

**Where:** TBA

Join us for a fun night of Jackbox, Ultimate Chicken Horse, Among Us and more!

## 7.7 More events to come...

**When:** Second half of semester

**Where:** UCC Clubroom and more

Keep an eye out on our discord for event announcements and other things the club is up to!

## 8 Annual Events

### 8.1 UnCharity Vigil

**When:** START OF THE YEAR

**Where:** Cameron Hall

Stay up late playing games, and giving money to Cameron Hall clubs to buy yourself an unfair advantage.

### 8.2 Annual General Meeting

**When:** 8th March @ 14:00

**Where:** Guild Council Room

Yearly meeting where the club reviews its previous year and elects a new committee.

### 8.3 Charity Vigil

**When:** Week 5, Semester 1

**Where:** Cameron Hall

Stay up late playing games, and giving money to charity to buy yourself an unfair advantage. Done in collaboration with other Cameron Hall clubs!

### 8.4 UniLAN

**When:** April 6th @ 12:00PM, also in Semester 2.

**Where:** TBA

Running overnight, this massive LAN is run in collaboration with clubs from UWA, Curtin, Murdoch, and ECU. Join us to play some classic LAN games, compete in tournaments, or just hang out with your friends!

This is THE LAN to attend, and will also be running a second time, later on in the year.

## 8.5 🍴 Anniversary Dinner

**When:** 21ST SEPTEMBER @ TBA

**Where:** TBA

Each year, UCC celebrates its anniversary with a dinner-time event. This year, it's our 50th anniversary. Feel free to come along to our sit down dinner and meet some of the older members, as well to have a general chat with your fellow uccans.

## 8.6 🎯 Cameron Hall Quiz Night

**When:** Mid semester 2

**Where:** The Tav

Bringing together the various clubs of Cameron Hall, the quiz night is the only proper time to use your smarts throughout your degree. [18+ Event].

## 8.7 🎯 Tech Clubs Quiz Night

**When:** Semester 2

**Where:** The Tav

Another quiz night! This time with a collection of the UWA tech clubs. [18+ Event].

## 8.8 🏕️ Joint Camp (TBA)

**When:** TBA

**Where:** TBA

In previous years UCC, Unigames, and UniSFA have run a joint camp after Semester 2 ends. It's yet to be confirmed for this year, so keep an eye out for news.

## 9 Services

*This is an overview of the services running. The full host-name for a given server is `server . ucc . asn . au`. Remember that these services are maintained by UCC's members, so if you want to know more, ask someone! The servers are usually named after a fish starting with "M", as they are in the **M**achine room and run Linux, the mascot of which is Tux: a penguin, who likes to eat fish.*

### 9.1 📺 Drinks & Snacks — Dispense (see page 8)

ucc's most successful service is undoubtedly the internet-connected coke machine and not-quite-internet-connected snack machine. They communicate to Merlo, which runs open source software written by talented members including John Hodge, Mark Tearle and David Adam. A relay connected to Merlo can be activated by door members from the snack machine to open the club's electronic door lock.

### 9.2 🎮 Games

The Heathred A. Loveday memorial games server hosts many games including: Minecraft, TF2 and Wolfenstein: Enemy Territory (ET). Administrator access to heathred is fairly unrestricted; it is also available as a general use server. For example, its GPU has been used in the past for number crunching projects.

### 9.3 ✉ Email

ucc proudly runs its own mail server. You have an email account `<username>@ucc . asn . au`. Upon creating your account you can choose an address to forward all emails to. You can change

this at any time by editing the “.forward” file in your home directory.

A webclient is available at <https://webmail.ucc.asn.au> for ease of access. Other methods such as alpine for your own mail client work as well.

## 9.4 Web Hosting

Members can publish their own sites! ssh to a server and edit the files in the directory “public-html”. The website will appear at <https://<username>.ucc.asn.au>.

## 9.5 File Storage

With your account comes not one, but *two* “home” directories for all your file storage needs. Both can be accessed through ssh, FTP, a ucc Windows or Linux machine, or from your phone if you have a FTP/ssh client installed. There is (currently) no enforced limit for how much you can store, but very large accounts are left out of our backups.

THERE'S BEEN A LOT OF CONFUSION OVER 1024 vs 1000, KBYTE vs KBIT, AND THE CAPITALIZATION FOR EACH.

HERE, AT LAST, IS A SINGLE, DEFINITIVE STANDARD:

SYMBOL	NAME	SIZE	NOTES
kB	KILOBYTE	1024 BYTES or 1000 BYTES	1000 BYTES DURING LEAP YEARS, 1024 OTHERWISE
KB	KELLY-BOOTLE STANDARD UNIT	1012 BYTES	COMPROMISE BETWEEN 1000 AND 1024 BYTES
k <i>i</i> B	IMAGINARY KILOBYTE	1024 $\sqrt{2}$ BYTES	USED IN QUANTUM COMPUTING
kb	INTEL KILOBYTE	1023.937528 BYTES	CALCULATED ON PENTIUM FPU.
Kb	DRIVEMAKERS KILOBYTE	CURRENTLY 908 BYTES	SHRINKS BY 4 BYTES EACH YEAR FOR MARKETING REASONS
KB <sub>a</sub>	BAKER'S KILOBYTE	1152 BYTES	9 BITS TO THE BYTE SINCE YOU'RE SUCH A GOOD CUSTOMER

## 9.6 VM Hosting

Members can get their own VM hosted at ucc by contacting someone on the Wheel group to set it up for them.

It's free, easy, and highly recommended.

## 10 Glossary

---

Term	Description
<b>Dr ACC Murphy</b>	A computer called Murphy. Truly infamous around the clubroom.
<b>TLA</b>	Three Letter Acronym. Every TLA is unique and most uccaneers have one to refer to themselves in documentation.
<b>Dispense credit</b>	Money on your account used for the drink and snack machines.
<b>IRC</b>	Internet Relay Chat. An old-school protocol for chatting with people online that many uccans still use daily.
<b>The Loft</b>	The area above ucc in Cameron Hall that looks down into the ucc clubroom. LAN gaming and other activities take place up there.
<b>Mailing lists</b>	A way of communicating with a very large number of people via email. The ucc has several mailing lists of varying popularity.
<b>uccan</b>	Someone who spends a lot of time in the ucc.
<b>Fresher Rep</b>	The committee member (always a fresher) who is elected to represent the interests of new members.
<b>Door group</b>	The group responsible for maintaining the clubroom and it's contents.
<b>Wheel group</b>	The group responsible for maintaining computers, accounts and services in ucc.
<b>UniSFA</b>	University Science Fiction & Fantasy Association. A fellow club in Cameron Hall.
<b>Unigames</b>	A club specialising in board games, RPGs, etc. A fellow club of Cameron Hall.
<code>passwd</code>	Enter this command while on a ucc server to change your password.
<code>ssh &lt;server&gt;</code>	This command, when given the name of a server, will allow you to connect to the machine from your computer.
<b>Motsugo</b>	Host of secure user home directories, main user shell server. Also a fish.
<code>man &lt;command&gt;</code>	Outputs the manual for a command. One of the best pitstops for information on UNIX commands.
<code>irssi</code>	A terminal-based IRC client.
<code>dispense</code>	Opens the terminal window to dispense a drink from our drink machine.

---

# **11 Friends of UCC**

## **11.1 UniSFA**

A social club for all things nerdy. UniSFA offers a hub of sci-fi and fantasy books, screenings, discussions, and other related events throughout the year. Come by to relax and read, debate recent books/episodes/movies and make friends!

## **11.2 Unigames**

Dealing in tabletop games, such as roleplaying games, board games, card games and wargames, their clubs room is home to everything between casually playing Junk Art or Betrayal at Baldur's Gate between classes to ongoing regular Dungeons and Dragons and Call of Cthulhu campaigns.

## **11.3 Programming Competition Society**

The best place on campus to learn programming skills in a fun and relaxed environment, with programming competition skills lectures, and study nights for programming-related units.

## **11.4 Pantomine Society**

Panto is a semi-improv theatre troupe based on a foundation of inclusivity with a part guaranteed to anyone who auditions. Three yearly shows are written, performed, and crewed by members with plenty of fun events in between.

## 11.5 UWA Esports

UWA Esports is a club focused on casual and competitive gaming alike. They host things such as games days in EZONE, where they set up a load of Nintendo switches and encourage people to bring their laptops, as well as their iconic semesterly quiz nights. They also host the occasional tournament and field a few competitive rosters to compete against other universities in Australia.

-  IRC [irc://irc.ucc.asn.au:6667](https://irc.ucc.asn.au:6667) or <https://irc.ucc.asn.au>

## 12.2 Email

Some useful emails that you might like to contact are:

- Committee: [committee-only@ucc.asn.au](mailto:committee-only@ucc.asn.au)
- Fresher Rep: [fresher@ucc.asn.au](mailto:fresher@ucc.asn.au)
- For anything tech-related: [tech@ucc.asn.au](mailto:tech@ucc.asn.au)

## 12.3 Mailing Lists

ucc often uses email for communication. There are various lists that you can sign up for at <https://lists.ucc.asn.au>. The most popular lists are:

ucc-announce@ for announcements and ucc@ for general discussion.

- If you are interested in technology, join the tech@ list.
- If you want to be kept up to date with management of the club, join committee@.

## 12.4 Other
